

ENVIRONMENTAL POLICY STATEMENT

Rhinoceros Ltd, will conduct, control and manage its activities to ensure adverse effects of operational activities on the environment will be minimised as practicable.

The objectives of the environmental policy are:

- To comply with legal obligations under the current Environmental Protection Act, together with all other applicable statutory provisions and relevant codes of practise.
- To promote environmental awareness throughout the organisation.
- To promote all staff to conform to the three R's – Reduce, Recycle and Reuse.
- To maintain a healthy working environment for its employees, with adequate facilities appropriate to the nature of the business activities.
- To minimise the social impact of the company activities and avoid damage to the environment through regular reviews of the business from environmental and management system audits.
- To undertake environmental impact studies as part of any plans on company relocation or enlargement of existing facilities.
