

# PRODUCT SHEET

## GLASS AND TILE PRIMER (BR86)

### Product information

#### DESCRIPTION

A solvent-based primer specially formulated for use on glass and glazed surfaces.

#### USAGE/PUPOSE

For use as an adhesion promoter on glass, ceramic tiles, glazed bricks and similar surfaces prior to decoration with textured finishes. May also be used on other common building substrates.

#### CHARACTERISTICS

- Solvent-borne formulation

#### PERFORMANCE

- Excellent adhesion to difficult surfaces
- Fast drying

#### FINISH

Matt.

#### COLOUR

White.

#### ENVIRONMENTAL CONSIDERATIONS

Contains no added lead.

#### PACKAGING

**Can size:** 1,2.5 and 5 litres

#### AVAILABILITY

Available from RHINOCEROS Limited.

Tel: 0208 444 6165.

### Technical specification

#### COMPOSITION

High quality resins in higher aromatic solvents and inorganic pigments.

#### PERFORMANCE

##### Fire

VOC content: High, 25 - 50%.

### Surface preparation

Wash all surfaces with detergent and water.

Degrease with white spirit.

### Application

#### METHOD

Apply by brush, roller or spray. May be thinned for spray application only (see also below).

#### RECOMMENDED FILM THICKNESS

**Wet:** 100 microns

**Dry:** 40 microns

#### THINNING

For spray application only: Use Glix 02 Thinners.

#### COVERAGE

Average 10m<sup>2</sup> per litre on smooth surfaces.

#### DRYING TIME

Dependent upon weather conditions and average temperature.

**Touch dry:** 1 hour

**Recoatable:** after 4 hours

#### CLEANING

Clean all brushes, rollers and spray equipment immediately after use with Glix 02 Thinners.

#### LIMITATIONS

DO NOT apply

- When there is a risk of rain

- During excessively damp conditions

### Health and safety notes

Detailed information and guidance is provided in Product Safety Data Sheet BR86. The following represents important selected information only:

**Warning:** this product is FLAMMABLE. Flash Point: 23°C

## Health and safety notes (cntd)

- Ensure good ventilation during application and drying
- Avoid contact with eyes and skin

### In case of contact with eyes:

Rinse immediately with plenty of water and seek medical advice.

### In case of contact with skin:

Wash immediately with plenty of soap water or a proprietary skin cleanser.

- Exclude sources of ignition during application and drying
- No smoking
- Keep out of reach of children

### When spraying:

- do not breathe spray
- wear suitable respiratory protective equipment

## STORAGE

Store in secure, dry conditions. Protect from naked flame. Containers should be kept closed during storage. Avoid spillage and contamination. Do not empty into drains and water courses.

## SHELF LIFE

1 year in original, unopened container, if stored in accordance with recommendations above.
